*Global College Malta*

WELCOME  
GLOBAL COLLEGE MALTA

# ABOUT GLOBAL COLLEGE, MALTA

Located in SmartCity Malta, Global College is one of the most highly regarded educational institutions in Malta. The School offers CPD courses, certificates, diplomas, and Bachelor's, Masters & Doctorate programs accredited by the Malta Further and Higher Education Authority (MFHEA).

# OUR MISSION & VISION

Our motto, “developing people to their true potential” is the cornerstone of our philosophy and is reflected in everything that we do at Study World Global College Malta -from the courses offered, the way in which our academic and support staff will engage with our students, to the building and campus facilities. We believe in, and are committed to, providing all our students with the practical and life skills, beyond the theoretical framework, to help them to develop and succeed in their day-to-day professional lives.

# Our Academic Dean

Prof. Chris: holds a Professorship from the University of Chester in the UK and his research background is in Meteorology and Climatology.

- Worked at the University of Wolverhampton
- Moved to the UK Quality and Standards Assurance Agency for Higher Education
- Was appointed Deputy Director at the QAA with responsibility for advising UK Government Ministers on the grant of degree-awarding powers, university title, and higher education institution designation.
- He also undertook more than 100 UK and international higher education institutional audits. During this period he
- was also responsible for managing the QAA's work in relation to postgraduate education and wrote the QAA's guidelines on research degrees and various Learning from Audit publications
- Also acted as an adviser to the New Zealand Government on university title matters.
- Worked at the University of Chester as the institution's Senior Pro-Vice-Chancellor. This wide-ranging role involved: business planning and performance management; oversight of the undergraduate and postgraduate student experience; managing the University's seven academic faculties with a population of over 20,000 students
- Chris was also the Executive Dean of the University's Faculty of Medicine and Life Sciences with oversight of the academic Departments of Sports and Exercise Sciences, Biological Sciences, Clinical Sciences, and Nutrition, an international Food Sciences Research Centre, and the Chester School of Medicine.
- Chris has been trained as a UK Government Teaching Excellence Institutional Assessor and is currently an Independent Governor at the Royal Northern College of Music, UK.
- Also on the Board of the Glovers Charitable Trust.
